Sea Island and Glynn County Athletics

As told by Mike Kennedy, Sea Island Director of Recreation

With 168 teams across both middle and high schools, Glynn County Athletics is comprised of over 2,500 student-athletes. Through sponsorships, the county's athletics program helps to cover the cost of uniforms, equipment, travel, and more so that these student-athletes will not have out-of-pocket expenses to participate in school-based sports. "In addition to funding, the program provides mentorship and guidance for all our students, both on and off the field," says Steve Waters, Executive Director of Athletics and Facilities at Glynn County Schools. "Corporate partners, like Sea Island, help to make this possible."

Mike Kennedy, Director of Recreation at Sea Island, has been instrumental in establishing Sea Island as a corporate sponsor for the program. "School-based sports have such a positive effect on young student-athletes," says Kennedy. "We at Sea Island understand that this impact continues well after the game is over - it has the power to create stability and success for years to come."

This year, Sea Island is proud to be sponsoring the 'City Championship,' a varsity football game between Brunswick High and Glynn Academy, with the winning team receiving the "The Sea Island City Championship Trophy." Prior to the game, the 'Mykal Ellis Championship Meal' will also be sponsored by Sea Island, and will feed over 300 athletes and coaches. "The pride I see in our Sea Island team members, that their company is making such an incredible impact on their community, is amazing," says Kennedy.

Mike Kennedy and Steve Waters are excited to support Glynn County's student-athletes.

Regardless of which school or sport you cheer for, if you are interested in joining a team that believes in enriching the lives of those in our local community - we highly encourage you to take the next step and start your new career at Sea Island.

Join a Company That Cares
